Name: GENIE BOXING RED FOCUS PADS

Item Code: KPI-003

Impossibly nimble and ultra-compact, these Smartie hook and jab pads are engineered to be smarter, lighter and faster than ever. Train your speed and accuracy with every strike and let the foam padding absorb shock to prevent pain or injury. Designed using Maya Hide™ leatherwith strengthened inner hand and dual stitching for resilience, open fingers for mega grip and circulation, plus balance force mechanism for stability – all with a lightweight construction so you have maximum movement. These high tech focus pads are ideal for high speed training combo drills and are compatible with boxing, Muay Thai, mixed martial arts or cage fighting workouts.

Name: ZERO IMPACT LEATHER BOXING PADS

Item Code: KPI-004

Made with two layers of foam technology and enhanced with a soft gel lining, these focus pads will effectively shield you from harm during intense training and pad drills. And because they've been designed using authentic cowhide leather and bulletproof stitching, they'll withstand the toughest workouts and will survive countless gym sessions. The domed palm will improve grip whilst the adjustable Hook-and-Loop closure gives you the perfect fit and security. The ultimate martial arts pads to hone your technique, speed and power.

Name: BLACK BOXING PADS

Item Code: KPI-0035

For focus pads that will improve your accuracy, speed, timing and power, these super absorbent and protective boxing mitts make the ultimate choice for boxers in training. Designed to withstand the brutal blows of hook and jab pad drills for boxing, Muay Thai or cage fighting, these Maya Hidleather focus mitts are practically bulletproof and will survive countless training sessions. Made with double foam padding for optimum shock resistance, you'll have the protection you need to perfect your strike technique, whilst the thermal regulation keeps your hands free from overheating and the secure grip gives you added confidence and stability.

Name: BLUE CAVAR CURVED BOXING PADS

Item Code: KPI-0036

These pro level boxing pads are designed to help you perfect your hook and jab technique, boosting both accuracy and speed for boxing, cage fighting or Muay Thai. The tough Maya Hid leather construction makes these focus mitts virtually unbreakable, the shock resistant double foam padding helps to protect your hands, temperature management technology keeps you cool and dry under pressure, and the superb grip gives you the stability you need to excel with your strike practice. These hook and jab pads can take all manners of punishment and will last for years to come.

Name: FOCUS PADS

Item Code: KPI-0037

Unbreakable focus pads designed for boxing and MMA champs in the making! Engineered to improve training and pad drills, these martial arts pads offer incredible durability and steel-clad stitching to withstand the toughest of blows. Foam technology ensures max shock resistance, an open finger design gives the wearer mega grip, and the expert ventilation and perforated holes will encourage proper air flow to prevent moisture build-up. This means your mitts won't harbour nasty germs or smells! Hook and jab pads designed with extra stability to see you through gruelling training sessions. A must-have for boxers looking to improve technique.

Name: LEATHER SMARTIE FOCUS MITTS

Item Code: KPI-0038

New and improved, these boxing pads are lighter, smarter and so much faster. The lightweight authentic cowhide leather enhances your speed and accuracy, whilst the reinforced stitching makes them practically invincible against any opponent. Refine your fight, sharpen your strike, and hone your hits with these double foam padded, highly shock resistant MMA pads. Benefit from awesome wrist protection, temperature control to prevent sweat or odour build-up, plus a secure Hook-and-Loop strap can be easily resized for the best fit.

Name: MMA CURVED FOCUS PADS

Item Code: KPI-0039

Train and spar with your boxing partner with complete protection. This is the ultimate hook and jab armour! These boxing pads have been reinforced with layers of expanding foam, sponge and shock absorbing technology so that fighter and trainer can battle it out with maximum safety. Cut from resilient Maya Hide™ leather to withstand all punishment yet completely lightweight to give you optimum mobility when training. Unique curved design to improve comfort and enhance technique.

Name: YELLOW/BLACK CURVED FOCUS PADS

Item Code: KPI-0040

Our exclusive Pressure Point leather boxing pads feature a unique technology to evenly spread impact, giving you minimum pain and reduced risk of injury during MMA training or hook and jab pad drills. Resilient Maya Hide™ leather construction is built to last and last, the advanced padding will shield your hands from brutal blows, the integrated mesh palm offers unbeatable grip and stability, whilst the triple gel and foam make these boxing mitts comfortable and safe to use. Don't hit the gym without them and let the exclusive Pressure Point technology help you hone speed and accuracy like a pro.

Name: BLACK CURVED BOXING PADS

Item Code: KPI-0041

Unleash the ultimate fighter and let your training partner strike like a pro with these safe, stable and super shock absorbent hook and jab boxing pads. Designed to be ultra-tough to withstand the wildest blows, padded to the max for impact protection, breathable to prevent sweat and odours and finished with a pro curve design to shield the hands of the boxing or MMA trainer, these martial arts pads are a must for successful training sessions. Unique technology boasts a mega grip and the Hook-and-Loop strap gives you added wrist stability and adjustable comfort.
